

**Secondary Form for Cost Share Application on Irrigation Well Rehab**

This form must be submitted with cost share application.

1. \_\_\_\_\_  
Name Date

2. \_\_\_\_\_  
Well site Depth

3. Can well be rehabilitated: \_\_\_\_\_ yes \_\_\_\_\_ no

If so, which components are no longer functioning?

- a. Casing \_\_\_\_\_
- b. Pump \_\_\_\_\_

4. Cost estimate of work to be performed: \_\_\_\_\_

5. Estimated yield from well: prior to rehabilitation \_\_\_\_\_  
after rehabilitation \_\_\_\_\_

Drilling and equipment for a new well are not eligible for cost share. Power plant is not eligible for cost share either.

The Socorro SWCD will not cost share for the cost of the estimate of repair for the rehabilitation of the well. That expense is the applicant's responsibility. Please include this cost estimate with your application.

I understand and accept these terms. \_\_\_\_\_  
Signature of applicant Date
